

## Community Connections Support Services **Community Living Month Open Houses**

To celebrate Community Living Month, we are looking forward to connecting with our community and are hosting a series of open houses in many of the communities in which we work.

Please join us to meet new people, learn more about our services and celebrate the great work you do to make your community a more inclusive place!

We will be there to answer questions and provide support. Everyone is welcome and refreshments will be served. We hope to see you there!
